## What's news?

### BPW SA will introduce the all new BPW Landing Gear to our market in May 2016

All be it proven and tested in Europe, we have opted to put some test units at our local trailer OEM's to prove the landing legs worth in our local market.

This landing let offers some unique features to suit our SA market requirements

To mention a few:

- Longer crank handle
- Full length mounting flange
- Low crank forces
- 3 year maintenance free (BPW Grease)
- KTL – long life protective coating
- Standard combination foot of the air suspension foot incorporated in the flat foot, for static stability
- Reinforced bottom body flange to prevent flaring
- 25 ton lifting capacity with 50 ton static capacity
- Complies to the ARR (American Railway Regulation)

Be sure to see BPW continue to be your mobility partner.

George Hartman  
Sales: Key Accounts Manager
