Systems for your convenience

- Air operated coupling.
- Opening the coupling using the existing air from your truck.
- No more unnecessary long stops trying to position your trailer to uncouple.
- High quality and reliable system.
- Type approved.
- Ringfeder's systems mean less hassle and more business

Clean and Lubricate your coupling while driving

- Simple installation
- Blasts 8 bar of air in coupling to clean every 6 hours.
- Sprays thin mist of oil for lubrication every 24 hours.
- Always clean and well lubricated
- Extending service life
- Improved reliability, easier coupling, reduced service costs, and a longer life for the coupling
